GRADING

Weekly Quizzes/Daily Assignments - 60% of the final grade

Final Exam - 40% of the final grade

All assignments and quizzes are due at the time scheduled. Any work submitted after the due date will be given the grade of 0 (zero) and will be averaged in as such. **Any exceptions will need to be worked out with the professor BEFORE the assignment or quiz is scheduled.** If illness or an unavoidable incident is an issue, the student must contact the instructor as soon as possible to arrange a time to make up the assignment/quiz. If the student informs the instructor before the due date, the assignment will be due as soon as the student returns to class. If a quiz is missed, the student will need to make it up as soon as possible and not more than one week after the absence. One week after the student returns to class, if the work is not completed, a grade of 0 (zero) will be recorded for that work.

FINAL EXAM

Monday, May 6 - 10:30 am - 12:30 pm

Students who are late for exams are a disruption to the testing process. Therefore, this final exam will begin promptly at 10:30 am. At that time, the classroom doors will be locked and no late-comers will be allowed to enter the room. You are strongly encouraged to be in the classroom early and not run the risk of being late and having the grade of 0 (zero) recorded for your final exam.

COVID-19 Expectations and the Crimson Commitment

You are expected to comply with all university requirements and expectations regarding mask-wearing, vaccination, and testing, or you should not enroll in in-person course sections. Please do not come to class if you are feeling sick; communicate with your instructor about making up any missed classes.

Mask requirements for all students

All students, regardless of vaccination status, must wear a mask while indoors on any NMSU system campus. Any changes to this guidance will be posted online at now.nmsu.edu/plan/key-updates-and-quick-reference.html. Students seeking an exception to the mask-wearing requirement should contact the [Dean of Students Office](#) at 575-646-1722.

Vaccination and testing protocols

Students and employees at all NMSU locations who will be on campus for any reason will provide proof of COVID-19 vaccination or proof of a weekly negative COVID-19 test beginning Sept. 30, 2021. More information about how to submit your proof of vaccination or proof of testing will be provided before Sept. 30.

The Crimson Commitment

All students will acknowledge the Crimson Commitment at my.nmsu.edu.

I commit to myself and other Aggies. I will:

- ✓ **Get vaccinated** for COVID-19 by Sept. 30, 2021, or submit weekly proof of a negative COVID-19 test if I will be on campus for any reason
- ✓ **Monitor myself** for symptoms of COVID-19
- ✓ **Report to the Aggie Health & Wellness Center** or another medical professional if I have symptoms of COVID-19 or other communicable illness
- ✓ **Wash my hands** often with soap and water and/or use hand sanitizer
- ✓ **Wear a mask and keep my distance** as directed by the latest university guidance
- ✓ **Stay home if I feel ill** or have been around someone ill
- ✓ **Report a positive case** online at now.nmsu.edu and participate in contact tracing if called
- ✓ **Keep up to date with the latest guidance** from experts at NMSU, the NM Department of Health, and the CDC.

I will abide by these practices throughout the year:

- ✓ I will not use vaccine status or mask-wearing to discriminate against my classmates, instructors, or NMSU staff members in any way.
- ✓ I will follow instructions regarding seating in campus classrooms.
- ✓ I will speak to my instructor if I have concerns about social distancing or wearing a mask during class.
- ✓ If I am unable to attend an in-person class session due to symptoms of COVID-19 or another illness, I will communicate with my instructor ahead of time.

If I am unwilling to comply with COVID-safe practices:

- ✓ I will talk to my academic advisor about enrolling in online course sections, if available, or disenrolling from fall coursework. (Disenrolling will impact financial aid, housing, etc.)
